

We have a story to tell!

Brainerd Youth for Christ (formally BAY Ministries) has provided positive, uplifting opportunities for area teens since 1998. There are a multitude of individual stories telling the effectiveness of this ministry. In many cases, it has been *truly* life changing.

This winter, Brainerd Youth for Christ will launch a new youth outreach center called “the YFC Junction” in downtown Brainerd! We are full of anticipation and ready for this next chapter.

Engaging & equipping students is what the YFC Junction is all about. A fun, comfortable and safe environment for students. A place where through intentional conversation, we will hear students’ stories, share our stories and introduce God’s life-changing story.

Help us find their story

Within the YFC Junction there will be the “**Story Underwriters Wall**” displaying businesses, churches and individuals that financially partner with Brainerd Youth For Christ’s Junction. Logos will be printed on varying sized gears, illustrating how by working together we will equip scores of teens with **Hope, Inspiration, Purpose & Peace!**
